

# First Year LEAD Scholars | 4+1 Plan

Thinking across the next four years at Saint Leo (and your first year post-Leo); what do you hope to accomplish in terms of your leadership development each year? Consider:

- **EXTRACURRICULARS:** What clubs/organizations do you want to join? How will they benefit you?
- **WORK EXPERIENCE:** What jobs/Internships might benefit you? Where would they fall in your 4+1 year plan?
- **SKILLS:** Are there particular skills you would like to develop (for example: budgeting, marketing, working with diverse populations, speaking in front of large groups, etc.)? Which skills do you most want to develop? How and when will that happen?
- **WHO:** Who can help you connect? Who is going to support you? Who is going to challenge you to grow? Who should you be connecting with in the future? Which faculty/staff members could mentor you and write references for you in your senior year?

Under each year in the chart below, plan out 4-8 things YOU have within your power to do in order to take ownership of and develop your personal leadership in a way that will benefit you in life after Leo.
